Dear Mr. Seltzer:

On behalf of the American Society of Addiction Medicine's Board of Directors, we are pleased to offer you honorary ASAM membership. This honor is being bestowed in recognition of your dedication, service and contributions to ASAM.

Honorary members are nonmember physicians or other professionals whose eminence is recognized, by an affirmative vote of 2/3 of the members of the Board eligible to vote, for outstanding contributions to the field of addiction medicine and/or the Society.

Honorary Members are eligible to receive complimentary subscriptions to ASAM publications. While honorary members are not eligible to be voting members or chair committees, all the associated benefits are on a dues-free basis for an indefinite time period.

We want to personally thank you again for your service.

Sincerely,

Kelly J. Clark, MD, MBA, DFAPA, DFASAM
President
